WHO IS VIKING RIVER CRUISES?

Nearly 20 years ago, Viking River Cruises® started in Russia with four ships. Through the years, we have set the standard for what river cruising should be, and today we're the leader that all others follow. We are a financially stable, dynamically growing company—the largest, most award-winning company in the industry—with a fleet of 53 ships cruising over 20 itineraries across 19 countries in Europe, Russia and Asia.
